RE: CBPA Exception 09-248, 2910 Seaford Road

Dear Mr. Byrd:

On October 2, 2009, you submitted an application to the Chesapeake Bay Board. You are requesting an exception of the Resource Protection Area (RPA) buffer requirements to allow construction of a shed in the RPA along a tidal canal off of Goose Creek. The next York County Chesapeake Bay Board public hearing is scheduled for 6:00 p.m. on Thursday, November 12, 2009. The hearing will be held in the East Room on the first floor of York Hall. York Hall is located at 301 Main Street, which is on the northeast corner of Main Street and Ballard Street in Yorktown's historical area.

A \$250.00 filing fee is required and must be received by October 19, 2009 or the application will be incomplete and will not go before the Chesapeake Bay Board on November 12, 2009.

A site visit by the Chesapeake Bay Board is scheduled for Wednesday afternoon on November 4, 2009. A site inspection schedule will be mailed to you on October 22, 2009 and will include the tentative time of the visit. Please have the proposed shed location staked in the field for the site visit or the application may be determined to be incomplete.

The Board will be provided with a copy of your application and copies of all the information in your file. If you have any questions, please contact me at 890-3758 as soon as possible.

Sincerely,

Kent Henkel
Environmental Specialist
